

Hue is a bit unusual in that many places do not have street addresses & website.

Where possible we have added a link to the restaurant's website which may help you to locate the venue.

Les Jardins de La Carambole

LES JARDINS DE LA CARAMBOLE

Located 400 meters west from the main door of the Forbidden City, this beautiful colonial-inspired restaurant serves up a variety of European and Vietnamese foods. Sit inside in the air-conditioning, or on a cool day sit outside in the garden and have a leisurely lunch or dinner at one of the best restaurants in Hue.

DRINKS

Plenty of restaurants and bars sell "fresh beer" or "Bia Hoi" by the glass.

This cool refreshing lager / beer is often made on the premises that day!

Light refreshing low alcohol and very very cheap!
